

Gift Wrap for Epilepsy 2009 Campaign

Westmount Collegiate Institute Students!

Are you interested in a great opportunity for community hours? The **Gift Wrap for Epilepsy 2009 Campaign** is currently looking for volunteers!

The Gift Wrap for Epilepsy 2009 Campaign is an annual fundraising event to support people living with epilepsy. The Campaign takes place during the holiday season in various malls around the GTA. Last year we wrapped thousands of gifts for mall patrons and raised over \$100,000 to support programs to help the 1 in 100 Canadians who have epilepsy.

Your school is near **Promenade Shopping Centre** and it would be very convenient for your students to volunteer a shift after class and earn volunteer hours towards their mandatory community service requirement! They would also be able to volunteer at any of the malls our Campaign is located in this year:

- Toronto Eaton Centre
- Hillcrest Mall
- Promenade Shopping Centre
- Scarborough Town Centre
- Dufferin Mall (NEW this year!)
- Fairview Mall (NEW this year!)

For those students who need to brush up on their gift-wrapping skills, we will have training sessions to teach them all of the tricks!

We **NEED YOUR HELP** to get the word out to your students! There is a poster with all the details below – please distribute the information to all your students at **Westmount Collegiate Institute**.

Get your students to SIGN UP NOW! Our website has an online form they can register to volunteer <http://epilepsytoronto.org/pub/gwc/>. To find out more about Epilepsy Toronto www.epilepsytoronto.org.

Thank you for your time!

Christina Chew
